

# Office 365: Accessing OneDrive

Last Modified on 04/22/2022 11:14 am CDT

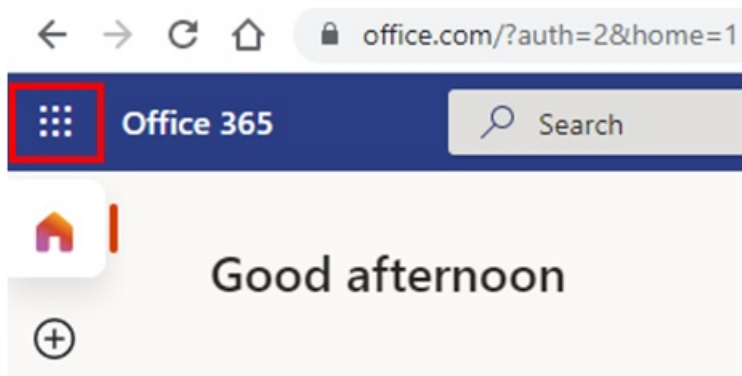

There are several ways to access your personal OneDrive site:

## Direct URL:

1. Type <https://onedrive.uwec.edu> into the address bar of your browser and sign in with your UW-Eau Claire username and authentication credentials.

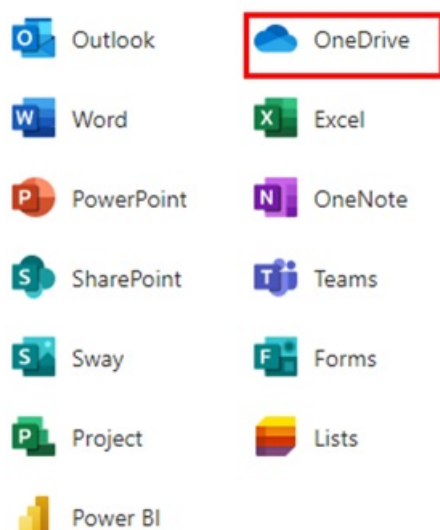

## Through Office 365:

1. Type <https://office365.uwec.edu> into the address bar of your browser and sign in with your UW-Eau Claire username and authentication credentials.
  1. On the left side of your screen, click the **waffle icon**

2. Click **OneDrive**

### Apps

# Office 365 for Mobile Device:

1. Download and install the OneDrive For Business app from the iOS or Android mobile app stores and sign in with your UW-Eau Claire username and authorization credentials.
