Athena CE Programs: Adding a Delivery Format
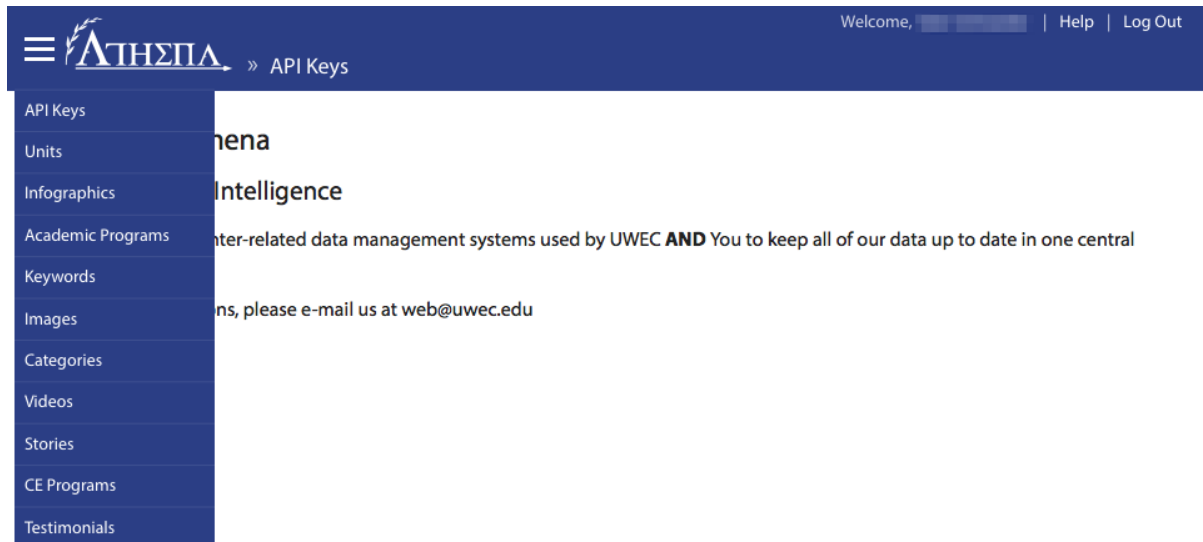

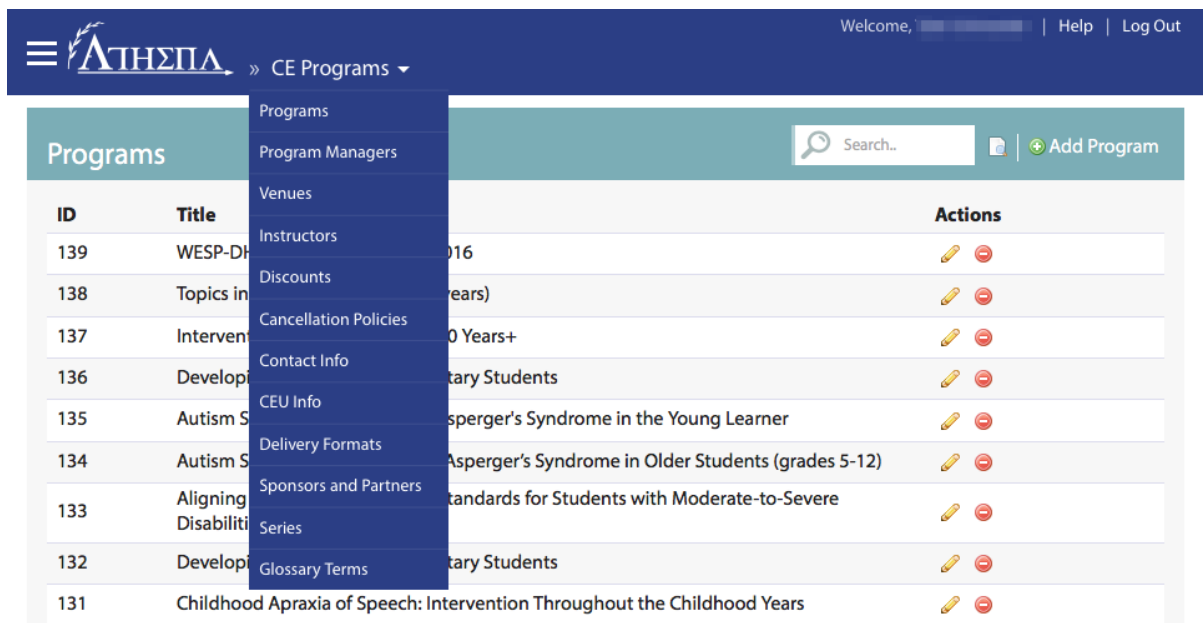

Last Modified on 02/27/2020 12:09 pm CST

1. Log in to Athena
2. Select **CE Programs** from the navigation menu.

3. Select **Delivery Formats** from the sub-navigation menu.

4. Click **Add Delivery Format** at the top.

5. Add a name for this delivery format. This is publicly visible and should be descriptive as this is the only field.

Adding New Delivery Format

Name

6. Click **Create Delivery Format**.

Cancel   Create Delivery Format
