

Athena CE Programs: Editing a Program: Resources Tab

Last Modified on 02/27/2020 12:08 pm CST

1. Click **New Resource** to start adding resources for the program.

NOTE: Resources can be links to other websites, documents, or other files that provide supplemental content for a program.

2. Enter a name for the resource being added. This should be descriptive and will be displayed publicly.

3. Either browse for the file on your computer or enter a URL for the website/file that will be used as a resource.
4. Click **Create Resource** to save the entry.
5. Proceed to the **Sponsors and Partners** tab.
