

Purchasing: Apple Configurations

Last Modified on 01/17/2023 10:39 am CST

Notice: Like other manufacturer's, Apple is experiencing the same delivery delays for their hardware due to component shortages, but the delays are not a severe. Regardless, departments are strongly encouraged to order with delays of several weeks in mind. Apple does not invoice until an order ships.

If you are looking for information regarding personal purchases and discounts, please consult the [Personally Owned Technology](#) page.

Items listed on this page are for University purchasing only.

All computer prices include a \$50.00 LTS setup fee and iPads include a \$25.00 LTS setup fee.
