Purchasing: Apple Configurations

Last Modified on 09/23/2022 5:10 pm CDT

**Notice:** Like other manufacturer's, Apple is experiencing the same delivery delays for their hardware due to component shortages, but the delays are not a severe. Regardless, departments are strongly encouraged to order with delays of several weeks in mind. Apple does not invoice until an order ships.

*If you are looking for information regarding personal purchases and discounts, please consult the [Personally Owned Technology](#) page.*

Items listed on this page are for University purchasing only.

All computer prices include a $50.00 LTS setup fee and iPads include a $25.00 LTS setup fee.
