

# CampS: How to Read an Advisee Graduate Degree Audit

Last Modified on 09/22/2021 11:06 am CDT

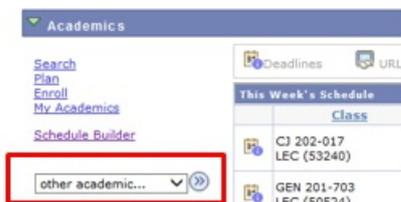

This document describes how to read a degree audit for graduate students. A student accesses the Degree Audit in a different way. For student steps navigate here, [How to Read Your Graduate Degree Audit](#).

## Contents:

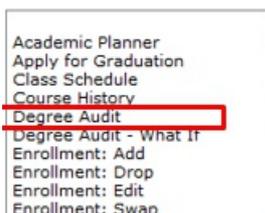

- [Request a Degree Audit](#)
- [Use the PDF Version](#)
- [Organization of the Degree Audit](#)
- [Academic Planner](#)
- [Online Version](#)
  - [Opening and Closing Requirement Groups](#)
  - [Only 10 Courses Show Up](#)

## Request a Degree Audit

1. Begin at the *CampS* website.
2. Click **Self Service**.
3. Click **Advisor Center**.
4. Click **My Advisees**.
5. Click on the **View Student Details** link for the student in question.
6. Under *Academics* find the *other academic...* drop down list.

7. Select **Degree Audit** and click the **go** button  .

# Use the PDF Version

The degree audit can be viewed as an interactive online degree audit or as a PDF. The PDF contains information that is not visible on the online version. In particular, petitions ONLY show up clearly on the PDF. Use the PDF whenever possible.

When the degree audit comes up, click [view report as pdf](#) and wait about 15 seconds for the report.

Check the college, academic program, and degree the top of the report. Students can change their program by completing the *Application for Reclassification* form available at [Graduate Studies Forms](#).

## Organization of the Degree Audit

The first column of the degree audit is a set of IMPORTANT NOTES about the degree audit program.

1. The degree audit assumes that all courses that are in progress will be successfully completed.
2. The degree audit stops counting when there are enough credits to fulfill a requirement. If the program requires 9 credits of electives and the student has completed 12 credits of elective courses, only the first 9 will show.
3. All in progress and completed graduate courses are listed at the end of the degree audit under the University GPA requirement. If a course did not automatically count toward a specific program requirement, the student or advisor may submit a substitution or waiver request by completing the *Graduate Degree Program Change* e-form available at [Graduate Studies Forms](#).

The degree audit will list all requirements in “requirement groups.”

- If one or more of the requirements within a group is not complete, you will see red:

\* **~~~UNIVERSITY REQUIREMENTS~~~**

**Overall Requirement Not Satisfied:** UNIVERSITY REQUIREMENTS -  
COLLEGE OF ARTS & SCIENCES (RG-11364)

- Individual requirements that are not complete look like this:

\* → **Upper Division Credits**

**Not Satisfied:** Upper Division Credits - 39.00 Credits Required (LN-010)  
- Units: 39.00 required, 0.00 taken, 39.00 needed

- Completed requirements will look like this:

\*\* **UNIVERSITY GRADE POINT REQUIREMENTS\*\***

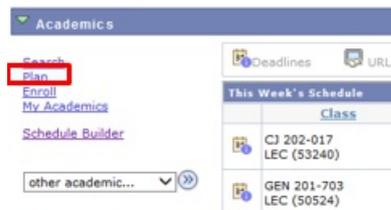

**Satisfied:** UNIVERSITY GRADE POINT REQUIREMENTS (RQ-11151)

The graduate degree audit is organized with the academic program requirements first, followed by University requirements for the degree being completed.

# Academic Planner

Students can also use the degree audit to plan their future courses. It is not possible at this time for faculty to request a planner report from the Advisor Center. Student can follow these instructions to plan courses and produce a planner report.

1. Start at the *CampS* website.
2. Click **Self Service**.
3. Click **Student Center**.
4. Under *Academics*, click **Plan**.

5. Enter courses into the planner using the **Browse Course Catalog** button.

Add courses to Planner using: [BROWSE COURSE CATALOG](#) [PLAN BY MY REQUIREMENTS](#)

6. Students can then click the **Plan By My Requirements** button.

A degree audit with the planned courses included appears. Planned courses are treated as in progress courses on this degree audit.

It is not possible at this time to do a “what if” planner degree audit.

## Online Version

If you must for some reason use the online version, keep these things in mind. The following icons are used:

✔ Taken    ◆ In progress

## I. Opening and Closing Requirement Groups

When you first open the online degree audit, any requirement that has been completed will be collapsed: you will not be able to see the courses used to fulfill the requirement. You can open or close requirement groups by clicking on the **green arrows** ▼ .

***[Reason #1 to use the PDF - you can inadvertently close something in the online version and THINK it is satisfied when it is not.]***

*TIPS:*

- Click on **Collapse All** when you first open your audit. This will allow you to see the college and major. CHECK THIS TO SEE IF IT IS ACCURATE.
- Open one requirement group at a time. This will make the degree audit seem less overwhelming.

Within most requirement groups there are many individual requirements. These will also be collapsed if they have been met. To see what courses are being used for the requirement, click the arrows to open the requirement.

## II. Only 10 Courses Show Up

Only 10 courses will show in any list. You must click on **View All** to see all of the courses.

Course	Description	Units	When	Grade	Status
MUSI 154	<a href="#">APPLIED VIOLIN</a>	1.00 - 4.00	2014-15 Fall Semester	IN	◆
MUSI 155	<a href="#">APPLIED VIOLA</a>	1.00 - 4.00	Fall, Spring		
MUSI 156	<a href="#">APPLIED CELLO</a>	1.00 - 4.00	Fall, Spring		
MUSI 157	<a href="#">APPLD DOUBLE BASS</a>	1.00 - 4.00	Fall, Spring		
MUSI 158	<a href="#">APPLIED FLUTE</a>	1.00 - 4.00	Fall, Spring		
MUSI 159	<a href="#">APPLIED OBOE</a>	1.00 - 4.00	Fall, Spring		
MUSI 160	<a href="#">APPLIED CLARINET</a>	1.00 - 4.00	Fall, Spring		
MUSI 161	<a href="#">APPLIED BASSOON</a>	1.00 - 4.00	Fall, Spring		
MUSI 162	<a href="#">APPLIED SAXOPHONE</a>	1.00 - 4.00	Fall, Spring		
MUSI 163	<a href="#">APPLIED TRUMPET</a>	1.00 - 4.00	Fall, Spring		

[View All](#) | [First](#) | [1-10 of 15](#) | [Last](#)

**[Reason #2 to use the pdf. On the online version you may THINK all required courses have been taken if the student has taken 10 but more are required.]**
