

Student Forms: COB Priority Seat Request

Last Modified on 04/15/2019 12:14 pm CDT

The College of Business uses the Priority Seat Form to manage the enrollments for some of its high-demand courses. The purpose of the form is to help students get their courses in a timely manner. If you are trying to enroll for a College of Business course that is currently full, please check this form to see if your course is on it. If the course is on the list, please fill out the form completely during the registration period for either Fall or Spring semester. The chairs of the individual departments in the College of Business will assign the seats and let you know if you are able to enroll.
