This article is for editing the Videos tab in the Locations app in Athena.

1. Click **Find Video**.

*NOTE: Click **New Video** to add a new video instead of selecting a pre-existing video. For help adding a new video, see [Adding a Video](#) and [Editing a Video](#).*

The screenshot shows the Athena Locations app interface. At the top, there is a dark blue header with the 'ATHENA' logo, a 'Locations' menu icon, and 'Help' and 'Log Out' links. Below the header is a teal bar with the text 'Edit Location: Davies Student Center'. Underneath is a navigation menu with tabs for 'Content', 'Relationships', 'Addresses', 'Organize', and 'Hours'. The 'Videos' tab is highlighted in a dark grey bar, with 'Images' also visible. Below the navigation menu is a dark grey bar with the word 'Videos' on the left, a '+ New Video' button, and a magnifying glass icon next to 'Find Video'. A white box below this bar contains the text: 'There are no videos attached to this location yet. Use the **Find Video** button above to attach one.' At the bottom left of the screenshot is a dark grey button with a left-pointing arrow and the word 'BACK'.
