Athena Categories: Adding a Category

1. Log in to Athena
2. Select Categories from the navigation menu.

**NOTE:** If you do not see this option in the menu, you do not have permissions to this area. Contact the Help Desk if you think you should have access but do not.

3. Click Add Category.

4. Enter the Name of the category.

**NOTE:** The Slug will be automatically generated; generally, it should not be altered. If you think it needs to be altered, contact the Help Desk for guidance.
5. Select the applicable Units.

6. Click Create Category.
