

Athena Infographics: Editing an Infographic: Info Tab

Last Modified on 04/27/2022 2:12 pm CDT

NOTE: If you are looking to activate or deactivate an already created item [click here](#).

1. Edit the *Stat Text* as desired.

Edit Infographic: \$475K+ Awarded in scholarships

Info	Organize	Usage
------	----------	-------

Stat + Label

Label text - before	Stat text \$475K+	Label text - after Awarded in scholarships
---------------------	----------------------	---

Please enter at least one label to describe the statistic. Labels can appear before, after, or surrounding the stat text.

Source Info

Source title	Make source title public
Source year	<input type="radio"/> Yes <input checked="" type="radio"/> No

Internal Notes

← BACK

SAVE

2. Edit the **Label Text** as desired.

NOTE: One of the two Label Text fields must be filled in.

3. Edit the **Stat Text** as desired.
4. Edit the **Source Year** as desired. If unknown, please leave blank.
5. Edit the **Source Title** as desired. If unknown, please leave blank.
6. Edit the **Make source title public** as desired.

NOTE: Selecting 'public' means the source title and source year will appear on the front-end of the website.

7. **Internal Notes**

This is where to put any important notes associated with the infographic. This is only for informational purposes and will not be seen on the published infographic.

8. Click **Save**.
9. Proceed to the [Organize tab](#).
