NOTE: If you do not see this option in the menu, you do not have [permissions to this area](#). Contact the Help Desk if you think you should have access but do not.

NOTE: If you are looking to activate or deactivate an already created item [click here](#).

This article is for editing the Video row on a Page in the Pages app in Athena.

1. Edit the *Row Label* as desired.

NOTE: This label is for internal use only and will not display on the public website.

2. Click **Find Video** to select a video as desired.

NOTE: This will replace the featured image with the selected video. For help adding a new video, see [Adding a Video](#) and [Editing a Video](#).

3. Click **Save**.

NOTE: At this step, your changes are saved to an unpublished draft of the page. Proceed to the next step to publish the reordered rows.
