The materials consist of correspondence, plan maps, and annual reports containing information about maintenance, improvements, and memorials on campus.

## Biographical/Historical Note

The Facilities Planning and Maintenance department was created in the mid twentieth century and was charged to oversee and coordinate all maintenance and improvements on campus. This entailed building additions, facilities maintenance, grounds projects, and projects to keep the campus running smoothly. The Facilities Planning and Maintenance department worked to keep the campus running smoothly until the department was reorganized in 2015.

# Content Description

This collection primarily contains annual reports, correspondence, newspaper articles, and other related materials associated with maintenance, improvements, and memorials at UWEC.
