Biographical/Historical Note

The First Baptist Church was founded on what is now the corner of Fourth Avenue and Niagara Street in Eau Claire, Wisconsin, in 1861. Starting in the 1960's, attendance numbers began to slowly dwindle until 2000, when debate over whether or not to allow gay members to participate in worship caused half of its 130 regular attendants to leave. Many remaining members were aged, with no new members joining to replace those who died. By 2017, only a few dozen members attended every Sunday on the regular. Building maintenance costs and a lack of donations forced the church to close and sell the building to Renew Church in 2017. The final worship was held March 11, 2018, the Church's 157th anniversary. As of March 2019, the building has been used by Renew Church.
