

Policies: Golf Cart and Utility Vehicle Policy

Last Modified on 09/13/2022 9:45 pm CDT

Golf cart and utility vehicles may only be used for official University business by authorized university employees (including student employees) and may not be used for personal business. All users of these vehicles must operate them in a safe and responsible manner and may not park these vehicles in any location prohibited by law or regulation or where they would pose a safety hazard.
