25Live has a Scheduling tool available through its application that allows quick and easy scheduling on a mobile device. If you schedule events regularly, add a direct link to your home screen for easy access:

Using the Scheduling Tool on a mobile device

Access the 25Live Scheduling tool by visiting 25live.collegenet.com/uwec/scheduling.html and then log in using your UWEC username and password.

To create a new event click on "Create a New Event" and walk through the Event Wizard. For more information on the Event Wizard, visit: https://www.uwec.edu/kb/article/25live-event-wizard/

- To search for open academic spaces select "See Available Locations".

- You can search to see if a specific space is open or you can "Select Existing Search" to search for open space more broadly.

Example #1 of a pre-defined search (All UWEC Rooms)
Example #2 of a pre-defined search (Schneider Social Science Hall):

- CEN1204
