Biographical / Historical Note

The genealogy research society of Eau Claire, WI indexed the Brunswick Cemetery in 2007. They graciously shared that information to the Brunswick Cemetery Board. Since that time, many new burials have occurred. Mary Carlson and Vicki Vogler, area residents interested in history and cemeteries, volunteered to update the indexing, which they did during august 2018-2019. Julie Dohms, cemetery board treasurer and John Stuve, Sexton, assisted with records and answers to questions. New monument information, and information from new gravestones, was recorded and entered into the spreadsheet over 2019-2020. Note that there may be errors within this spreadsheet, and we take responsibility for them. This effort was undertaken for the benefit of living relatives, friends, and community members, near and far.

This excel spreadsheet of gravesites at the Brunswick cemetery is distributed digitally as a pdf document (accessible on the town of Brunswick website/Eau Claire County WI website); University of Wisconsin Eau Claire (Mcintyre Library Special Collections and Archives); and to the Genealogy Research Society of Eau Claire.

Content Description

The 2020 cemetery index excel spreadsheet lists the gravesite person in last name alphabetical order for the whole cemetery (combination of original and west additions). Each name line contains a grave lot and grave number. To assist in locating a specific gravesite, a detailed aerial map will be developed in the future. Names of people still alive are included on the list, since we recorded the exact words and dates on each stone.

Many of the stones observed in earlier indexing are no longer visible. We believe that these have sunk underground and/or were damaged and removed. In the future, the cemetery board has a goal, with the assistance of additional resources, to find/repair/lift a variety of types of stones. Headstones, flat headstones, and veteran military bronze plaques require cleaning and digging around them to prevent environmental encroachment.
