Biographical/Historical Note

The University Activities Commission (UAC) of the Student Senate is the campus-wide events programming board at the University of Wisconsin-Eau Claire. Student programmers select,

promote, and produce a wide variety of cultural, educational, and entertainment programs for the university community.

An all-volunteer, award-winning commission of the Student Senate, the University Activities Commission receives part of the segregated student fee budget to support its activities, which means that UW-Eau Claire students may attend UAC programs at no charge or at significantly reduced cost.
