Biographical/Historical Note

Sports and the physical education program have been at UW-Eau Claire in different capacities since the start of the university in 1916. A physical education minor began being offered in 1947 with a major being offered to both men and women starting in 1974. In 1985, the physical education program merged with the men's and women's athletic programs to create the Department of Physical Education and Athletics. The athletics programs join the National Collegiate Athletics Association (NCAA) as a Division III member at the start of the 1986-1987

school year. The Department of Physical Education and Athletics was renamed to the Department of Kinesiology in May 1994.
