Last Modified on 04/01/2022 10:14 am CDT

A student organization's constitution is an official document that incorporates the organization's basic principles and rules, and defines the way in which it will be governed. Please use the **required** form below to create and edit your organizations' UWEC constitution. All UW-Eau Claire and UW-System required elements that must appear in your constitution are already indicated for you - just fill in the fields. If you have any questions regarding the importance of any of the following points, or if you need help in formulating your constitution, contact the [Student Organizations Commission Director](#) or the [Student Senate Program Associate](#). All required guideline fields must be completed in full **by a student member of the organization** before it will be reviewed by the Student Organizations Commission.
