

# CETL: Canvas

Last Modified on 11/07/2022 3:25 pm CST

Canvas is a digital learning system that is easy to use, reliable, and mobile-friendly. Educators are encouraged to use Canvas to enhance face-to-face instruction or teach courses totally online. Canvas allows access to the following:

- Course-related files.
- Electronic assignments and discussions.
- Online quizzes and tests.
- Grades.
- And much more!

## UWEC Educator Support

Please contact Tiffany Lewis ([lewistg@uwec.edu](mailto:lewistg@uwec.edu) or 715-836-2700) for an individual appointment.

- Tiffany is the main contact for Canvas assistance for new or experienced educators to use Canvas more efficiently.
- Learn how to use all the tools and options of Canvas and various time-savers.
- Get help with content, grades, course management, assessment, communication, and collaboration options in Canvas.
- Tiffany is experienced teaching in a variety of higher education formats.

## Canvas Help

During non-business hours, you can also contact Canvas Help. We have 24/7/365 Tier I Support. Use the **Help** button in Canvas to do the following:

- Search the [Canvas guides](#).
- Chat with a representative.
- Call Faculty Support at 1-833-811-3210.

## UWEC Guides and Resources

We have many online guides and videos if you'd like to learn on your own.

## Canvas for Educators

We created a course with guides, videos, and other information in the areas you will need most. Use the [Self-Enroll](#) link if you are not already enrolled in the Canvas for Educators course.

# UWEC-Created Guides

Below is a list of some of the commonly-used guides we've created for you. They are also located in the Canvas for Educators course.
