

Policies: Safe Bat Capturing Policy

Last Modified on 06/07/2023 10:44 am CDT

This policy guidance is designed to inform individuals at UW-Eau Claire on what to do and steps to take when a bat is discovered on campus in buildings and to safely remove bat droppings from campus buildings. If you discover a bat and are not equipped to handle the situation, you must inform the proper authorities capable of handling the matter.
