

# Email: Disable Shared Calendar Improvements in Outlook

Last Modified on 10/05/2023 8:35 am CDT

## How to disable Shared Calendar Improvements in Outlook(PC)

1. In Outlook(PC), click **File | Account Settings | Account Settings**
2. Double click your account
3. Click the **More Settings** button
4. Click the **Advanced** tab
5. Uncheck the **Turn On Shared Calendar Improvements** box and click **OK**

6. Restart Outlook
