CampS: How to find your EAU number

Finding Your EAU Number

Students will need to use this EAU number when they are filling out their ID on a bubble test from our new Remark Test Grading software.

1. Open your browser of choice (we recommend Chrome and FireFox).

2. Go to "uwec.edu"

3. Click "CampS" at the top of your screen.
4. Log-in using UWEC username and password, and authenticate using DUO.

5. Click on the "Profile" card.

6. Locate EAU number in the upper left-hand corner of your screen (note: this is different than your Blugold/Campus ID number).
