UWEC 246, Nepotism

Objective

This practice directive and related procedure addresses the potential for conflict of interest when a UW-Eau Claire employee is involved in the hiring decisions and/or management or supervision of applicants or employees to whom they are related or with whom they have a close personal relationship.

Statement

Mitigating the risks associated with nepotism plays a crucial role in ensuring transparency and fairness at UW-Eau Claire. By prohibiting favoritism or undue preference in hiring and promotion processes promotes a level playing field for all qualified individuals. Mitigating these risks also enhances public trust and maintains the integrity of UW-Eau Claire, ultimately contributing to our reputation for Excellence.
